

Supplementary Information: Identification and Structure Elucidation of Janthitrems A and D from *Penicillium janthinellum* and Determination of the Tremorogenic and Anti-Insect Activity of Janthitrems A and B

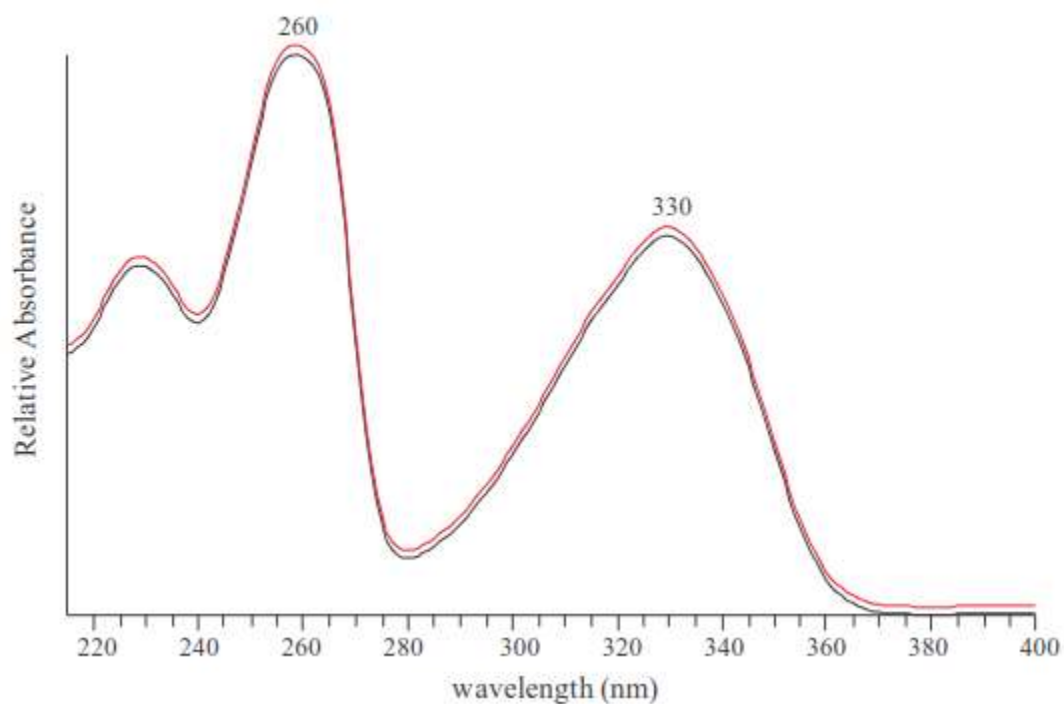

Figure S1. Normalized UV absorbance spectra for janthitrems A, **1**, (red) and B, **2**, (black) obtained with a PDA during HPLC analysis of fractions from *P. janthinellum* extracts.

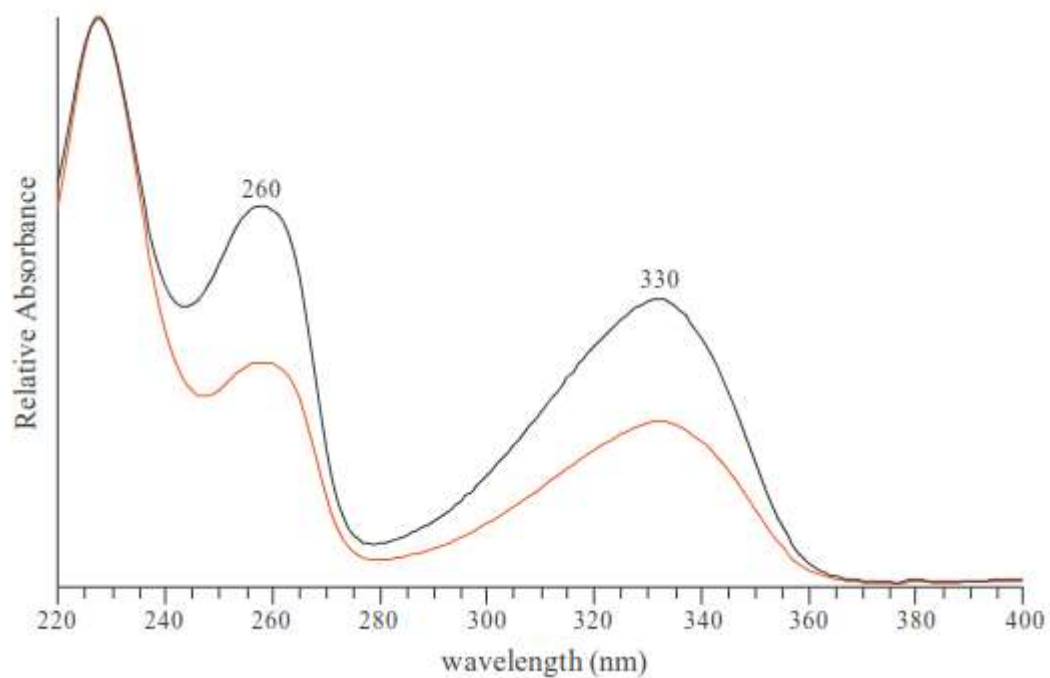

Figure S2. Normalized UV absorbance spectra for janthitrems C, **3**, (red) and D, **4**, (black) obtained with a PDA during HPLC analysis of fractions from *P. janthinellum* extracts.
